RESPONSE TO RESTRICTION/ELECTION REQUIREMENT

SIR:

In the Restriction Action mailed on May 26, 2009 (the one-month response date for which is June 26, 2009), the Examiner required restriction/election as follows:

The Office Action asserts that the Applicant *must elect a species from one of the following*: Species I - Claims 7 to 18; and Species II - Claims 19 to 26.

Upon the allowance of a generic claim, the Applicant will be entitled to consideration of claims to additional species which depend from or otherwise require all the features of an allowable generic claim as to an elected species. Applicants reserve the right to pursue a divisional application to the claim(s) which is/are not addressed in this application.

ACCORDINGLY, SPECIES I (CLAIMS 7 TO 18) ARE ELECTED WITH TRAVERSE.

The Commissioner is authorized, as appropriate and/or necessary, to charge any fees (including any Rule 136(a) extension fees) or credit any overpayment to Deposit Account No. 11-0600. A duplicate copy of this paper is enclosed for this purpose.

Respectfully submitted,
KENYON & KENYON LLP
